Amy,

Please withdraw my application for the lock combination number LC - 937 and I would request at this time a refund of my application money. Since this is been approved previously.

If you need anything else please let me know.

Thank you

Subject: Jason Hudson - lot combination refund

Hello Amy,

23.1

It was good talking to you this morning about the lock combination. I have attached a picture of the lock combination number 543 that was approved. Also, before I knew that it was approved I submitted an application LC - 937 a couple days ago. Can you refund the money for that application that I charged to my credit card?

Thank you
Jason Hudson
